Subject: THANKS FOR DONATION EURO 15,000

Dear Mr. Kirwald,

Greetings from Kasarani, Nairobi.

I hope you are keeping well and the Lord continues to take good care of you and your dear wife. We were happy to have you with us here at Kasarani last Christmas with Kiki and Magdalena. Please plan and come again.

I have received an email from Petra informing me of the generous donation of EURO 15,000 for our two projects - Nakuru and Kibera. I want to say a BIG THANK YOU to you and all those who help you. The sisters working in these schools will be happy and more so our children whom we love very much. May God bless you and keep you always. We do pray for you always.

The sisters are doing well and the children are working hard in school. Pray for them too.

Once again thank you, thank you. Greet your dear wife, Kiki and Magdalena.

Sr. Ann is still on holiday. She needs it after hard work.

The sisters greet you.

God bless you.
